OCTOBER 2011

Minnesota Chapter of ALOA

It is starting to look like fall. Time to put away the lawn mower and make sure the shovels are at hand. Its also time to check all the lights on the van.

Now that half our days are in darkness we need to make sure we are safe on the roads and that we don't get any fix-it-tickets! I was glad to hear that Cheryl made the best of her trip to ALOA this summer. She gave a great presentation recapping the week. It's time to look ahead to nominations for board members.

The chairman, vice chairman, nominating and education seats are all up for election. It has been an honor sitting in the chairman's position but their would not be a meeting if it were not for Pat Moseng. When you run into him make sure you take the time to thank him for all the hours he puts in to make sure things run smooth each and every month.
